

Noise Induced Hearing Loss

Directory of Service Providers

12 April 2012

Information to Employers

Approval certificates have been issued to all approved *Air Conduction Testers, Audiologists, Booths / Testing Environments and Audiometers*. WorkCover is unable to accept tests that have been conducted without these approvals. Before you engage someone to conduct WorkCover audiometric tests, you should confirm that they hold relevant approval certification.

All service providers listed in this directory were WorkCover accredited at the time of publication.

If you have any enquiries regarding these matters or you are experiencing difficulties in obtaining a testing service, please contact **WorkCover Infoline Services on 1300 794 744 or the Noise Induced Hearing loss Section on (08) 9388 5503**
