

Introduction to Workers' Compensation and Injury Management for Approved Vocational Rehabilitation Providers (AVRPs)

OBJECTIVE

This course aims to introduce the law of Workers' Compensation and Injury Management to AVRPs.

EXPECTED OUTCOMES

On completion of this course, participants will:

- Understand the role of WorkCover WA;
- Understand and apply principles from relevant sections of the Workers' Compensation and Injury Management Act 1981;
- Understand the legislation pertinent to the role of an AVRP; and
- Understand the main steps in the dispute resolution process.

TRAINING STRATEGY

- Participants will be introduced to critical legal and injury management principles. This knowledge will then be applied to challenging case studies that require application of the principles.

KEY SUBJECT AREAS

- Legislation
- Workers' Compensation and Injury Management Act 1981
- WorkCover WA
- Dispute Resolution
- Pre-injury Employer liability for injured workers working with host employers
- Injured worker entitlements
- Approval process for AVRPs
- AVRP competency standards
- AVRP delivery standards
