

REGISTRATION FORM

APPROVED AUDIOMETRIC OFFICER ONLINE TRAINING COURSE

To gain approval as a WorkCover WA Approved Audiometric Officer (AAO), successful completion of the Approved Audiometric Officer Online training course is mandatory.

Please note that the AAO course conducted by WorkCover WA is not part of the Audiometric course undertaken by an approved course provider.

To access the full range of dates and details for this course, go to the WorkCover WA Events Calendar at www.workcover.wa.gov.au.

To register for the Approved Audiometric Officer Online training course please complete the registration information and contact details below and return to:
