An injured worker's entitlement to medical expenses compensation is to be calculated using the net cost of the medical service, without deducting any GST component.

7. Requirement for invoices

Invoices for medical services must include service codes and fees relevant to the service or services provided.

8. Medical service fees – AMA Fees List

The maximum fee or charge payable for a medical expense for a medical service is the amount specified in the AMA Fees List, except for services covered in items 9 and 10 of this order.

For the purposes of section 73(3)(d) of the Act, the conditions that apply to the charging for the provision of a medical service as set out in the AMA Fees List are:

1. To bill for an AMA item, a medical practitioner must have fulfilled the service requirements as specified in the item descriptor in the AMA Fees List.
2. Medical specialists must utilise AMA item numbers relevant to the type of consultation/service provided. Where a comprehensive item is used, separate items must not be claimed for any of the individual items included in the comprehensive service (e.g. a dually qualified pain medicine specialist/anaesthetist cannot bill time based anaesthetic item numbers where pain medicine consultations/services apply).
3. In relation to surgical procedures where only one service is rendered, only one item should be billed. Where more than one service is rendered on one occasion of service, the appropriate item for each discrete service may be billed, provided that each item fully meets the item descriptor.
4. Where an operation comprises a combination of procedures, which are commonly performed together, and for which there is an AMA Fees List item that specifically describes the combination of procedures, then only that item should be billed. Where a comprehensive item is used, separate items must not be claimed for any of the individual items included in the comprehensive service. The invoice should cover the total episode of treatment.

5. The Multiple Operations Rule referred to in the AMA Fees List applies to surgical operations performed on a patient on the one occasion.
