

# **2024/25 Statement of Wages and Claims**

---

Consolidated WC12

## Statement of Wages and Claims

This document details the 2024/25 Consolidated WC12 – Statement of Wages and Claims for premium rating returning entities.

Column	Description
CLASS CODE (a)	The Premium Rating Code (PRC) used by WorkCover WA to identify an employer's industry. This classification structure is based on the <i>Australian and New Zealand Standard Industrial Classification (ANZSIC 2006)</i> coding system. For further information, refer to <a href="#">Guidelines of the WorkCover WA Premium Rating Classification System</a> .
CLASS DESCRIPTION (b)	Description of the corresponding PRC.
GROUP CODE (c)	Group level code of the corresponding PRC (identical to ANZSIC 2006 Group).
SUBDIVISION CODE (d)	Subdivision level code of the corresponding PRC (identical to ANZSIC 2006 Subdivision).
DIVISION CODE (e)	Division level code of the corresponding PRC (identical to ANZSIC 2006 Division).
REPORTING YEAR (f)	Reporting year refers to 'Underwriting Year' for Policy related data, 'Earned Year' for Earned related data and 'Accident Year' for Claim related data.
CURRENT UPDATED WAGES (g)	Initial wage estimate plus all subsequent wage adjustments for policies underwritten in the 'Underwriting Year'. 'Underwriting Year' refers to the year in which the policy was new or renewed, from 30 June in a year to 29 June the following year, irrespective of when the policy was processed or paid.
EARNED WAGES (h)	Wage earned for the respective 'Earned Year' based on the policy period for which the Insurer has been exposed to loss. 'Earned Year' refers to the financial year (1 July in a year to 30 June the following year) in which wages were earned, irrespective of when the policy was written, processed or paid.
CUMULATIVE CLAIM PAYMENTS (j)	The total amount of claim payments made for accident events that occurred in the respective 'Accident Year'. Claims payments are gross of reinsurance recoveries and should be reported as the real net cost to the insurer. 'Accident Year' refers to the financial year (1 July in a year to 30 June the following year) in which the accident event occurred, irrespective of when the claim was reported, paid, or finalised.
CASE ESTIMATES OUTSTANDING AT END OF PERIOD (k)	Current case estimates outstanding for accident events that occurred in the respective 'Accident Year'. Case estimate is the estimate directly from the claim file, less any amounts that have already been paid, without adjustment for any reinsurance. Case estimates are not to be reduced for any reinsurance recoveries. 'Accident Year' refers to the financial year (1 July in a year to 30 June the following year) in which the accident event occurred, irrespective of when the claim is reported, paid, or finalised.

## Additional Notes

### **PRC 75300 - Local Government Administration<sup>1</sup>**

When determining recommended premium rates, the premium rating data declared by local government entities within the Western Australia Local Government Association (WALGA) has been excluded from PRC 75300. This is because workers compensation for local government entities is underwritten by an approved self-insurer, the Local Government Insurance Service - WorkCare Scheme (LGIS).

The data declared by LGIS entities was removed from the Consolidated WC12. The recommended premium rate for PRC 75300 is based on the data collected from private insurers and does not reflect the current experience of LGIS. The Consolidated WC12 data for PRC 75300 only reflects a very small percentage of local government activity outside LGIS.

### **PRC 96011 - Private Households Employing Staff – Occasional Staff**

In 2023/24, the premium rate for PRC 96011 Private Households Employing Staff – Occasional Staff was set at the minimum premium (\$100) per policy for householders' policies.

---

<sup>1</sup> Applies only to privately insured entities. Excludes all self-insured entities in the Local Government Insurance Service – WorkCare Scheme

## 2024/25 Statement of Wages and Claims
